NOSHOK ANNOUNCES NEW PRESSURE & LEVEL MEASUREMENT SOLUTIONS CATALOG

Berea, Ohio (January 23, 2015) NOSHOK announces the availability of our new Pressure & Level Measurement Solutions catalog.

This comprehensive catalog replaces and combines our Pressure Measurement Solutions and Electronics Measurement Solutions catalogs, streamlining our pressure & level product offering and providing easier one-source reference.

The 132-page NOSHOK Pressure & Level Measurement Solutions catalog showcases our entire offering of analog and electronic pressure & level measurement products, including dial indicating, digital, differential and sanitary pressure gauges, as well as industrial, OEM, sanitary & hazardous location pressure transducers & transmitters, and mechanical and electronic pressure switches.

NOSHOK's catalog offering parallels our website presentation, grouping instrumentation into categories of measurement: pressure & level, temperature and force, along with needle & manifold valves and diaphragm seals.

This catalog is now available for [pdf download](#), or for [hard copy order](#).
