## NOSHOK ANNOUNCES NEW MOBILE WEBSITE

**Berea, Ohio (March 5, 2012)** NOSHOK announces the launch of its new mobile website, leading the industry yet again with another innovative tool for our customers. This touch-optimized, mobile friendly site is designed to accommodate all popular smart phones and tablets, and showcases NOSHOK's comprehensive product offering in a simple, easy-to-navigate format.

The mobile site's navigation allows for quick product reference with convenient links to request more information via e-mail on every product page, as well as click-to-call buttons.

In addition to product information, the site provides key corporate contact links, a Google Map locator, and a featured product section for promotions and discounts.

To access NOSHOK's mobile site, direct your mobile device's browser to <http://www.noshok.com> or simply scan the QR code below. For quick and convenient future navigation add a bookmark icon to your device.

Below is an example of how to save a bookmark on an Android device.

- While on the mobile site add it as a bookmark
- Go to the home screen you want to add the icon to
- Long-press in an empty space to bring up the "Add to Home Screen" menu
- Select "Shortcuts"
- Select "Bookmark"
- Choose your bookmark
