

Statement

Mercury Free August 2, 2023

This statement has been drafted to confirm the following:

1. NOSHOK's current product offerings do not incorporate mercury to meet any functional requirements.
2. NOSHOK products do not come into direct contact with mercury, mercury compounds, or with any mercury containing device during any stage of manufacturing or assembly.
3. Mercury is not intentionally added to NOSHOK's current product offerings.
4. NOSHOK does not employ any manufacturing processes, instruments, or equipment that would result in mercury contamination.
5. NOSHOK does not source any products that contain mercury.

NOSHOK products are not subjected to analytical testing. NOSHOK, Inc. believes to the best of its knowledge that the above statement is accurate as of the date of this letter and the statements and certifications of suppliers or service providers of NOSHOK, Inc. may have been relied upon in the preparation of this statement.
